

# YARN PORTFOLIO

# European High Quality Yarns

Linz Textil is Europe's leading manufacturer of yarns, greige fabric and terry towels. Since 1838 it is our passion to provide innovative and sustainable solutions for both fashion and technical textile applications. We enjoy a worldwide reputation as a reliable partner in the textile processing chain.

A sense of responsibility towards people as well as the environment is an elemental aspect of our claim to qualitative and technological superiority. Linz Textil actively pursues a policy of the greatest possible conservation of all resources employed and systematic action in harmony with nature.

Linz Textil yarns are suitable for a wide range of applications. Brilliant colours and pronounced skin friendliness ensure optimum climatic characteristics, and in addition our innovative product portfolio offers a wealth of exciting possibilities.

## FIBERS

---

### CELLULOSIC YARNS page 5

Diversity of touch variations and top-quality appearance of the fabric guaranteed.

### BLENDED YARNS page 8

Adding value and wearing comfort through a perfect marriage of the blending partners.

### SYNTHETIC YARNS page 10

Consistently high quality for technical textile applications.

## SPINNING TECHNOLOGY

---

Linz Textil possesses outstanding competence levels in every spinning technology, which is why customers around the world trust us as a partner and efficient full-range supplier.
